REFERRAL ORDER FORM

The Hepatitis C Clinic at Delhi Hospital can accommodate those patients having difficulty being treated in a timely manner from the comfort of their home. The patient will be seen remotely via telemedicine. Their medication will be sent directly to the patient's home with follow up visits conducted by the HEP C Clinic. Appointments will be scheduled promptly within one week of referral. We expect patients to receive and start their HEP C treatment within 4-6 weeks from their first appointment.
