

To register for the Patient Portal on a smartphone

When your patients open a [Patient Portal](#) invitation email on their smartphone, a mobile-friendly workflow makes it easy for them to complete the registration process on their smartphones.

1. Open the [Patient Portal](#) invitation email on your smartphone.
2. Tap Register.
The browser on the smartphone opens and displays the mobile [Patient Portal](#). The first page prompts you to verify your identity by receiving a temporary passcode via phone call or text message to the home or mobile phone number stored in athenaNet.
3. Tap Send Text or Call Me.
The temporary passcode entry page appears.
4. After you receive the text message or phone call, enter the temporary passcode and tap Continue.
The create new password page appears.
5. Create a password for your Patient Portal account, accept the Terms and Conditions and the Privacy Policy, and tap Sign In.
The Patient Portal home page appears.
